Aubrea Waite

Cit 230: 16

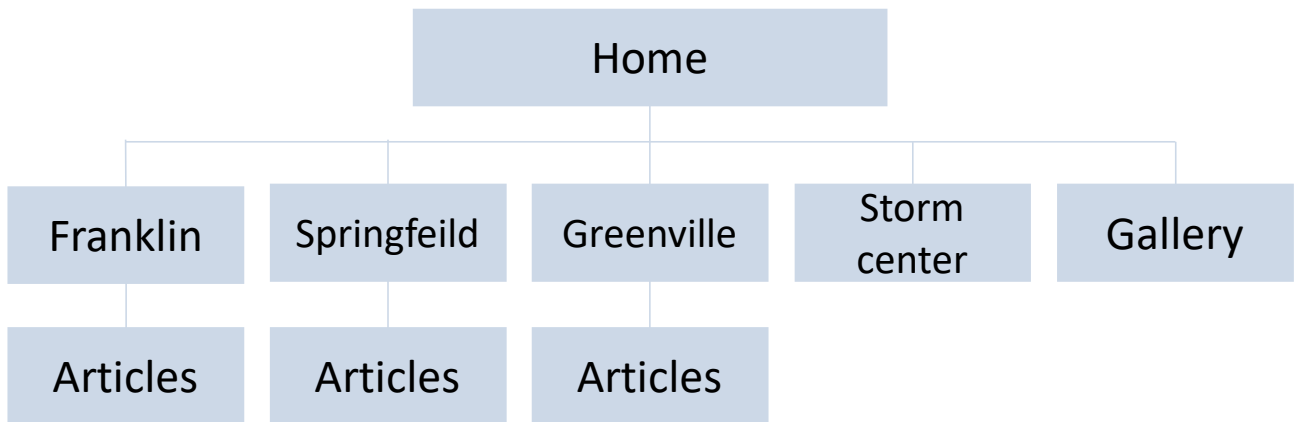

- Site Name: Weatherproof
- Site Purpose:

This sites purpose is to inform the people of Franklin, Springfield, and Greenville what their weather is going to be for the day/week so that they can waterproof themselves. This site will help prepare the users for whatever weather we will have.

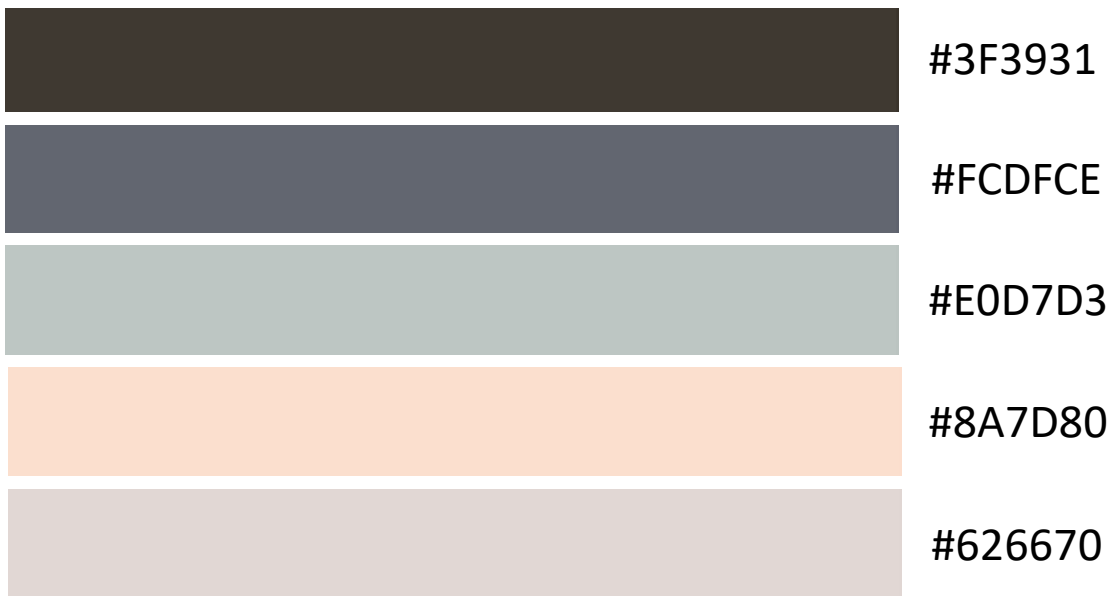

- Target Audience

The target audience are the people who live in Franklin, Springfield, and Greenville who want to be prepared for the weather. This includes teachers and children who are learning about the weather. They will be able to check the weather for the day and upcoming days. This will also help the people walking, biking, and driving to work; they will always be able to go outside weatherproofed.
